

Madison County Board of Elections

Directive 2008-64

Voting Machine Acquisition and Allocation Report

The Madison County Board of Elections will utilize 100% of their 33 ES&S M-100 optical scanners, its M-650 High-Speed Optical scanner, and will distribute one AutoMARK™ ballot marker to each of the 15 polling locations. The Board did not acquire any further voting equipment for the November 8, 2011 General Election. The Board of Elections, in keeping with Directive 2008-64, has followed the guidelines so described in said directive.

In keeping with Directive 2008-64, the Board of Elections will maintain 6 optical scanners at the board of elections to deploy to any precinct or polling location on an “as needed” basis.

The following list shows the allocation of voting equipment as described in Directive 2008-64:

Polling Place	Precincts	M-100s	AutoMARK™
London High School	6	6	1
Canaan Township Hall	1	1	1
Jonathan Alder High School	2	2	1

South Solon Village Office	1	1	1
TOTALS	27	27	16

The Board has one M-650 for Absentee and Provisional Tabulation

Privacy Screen/Secrecy Folder Allocation

Privacy screens and secrecy folders will be allocated to each precinct based on the number of “active” (non-confirmation status) voters in the precinct. One privacy screen will be provided for every 100 registered voters in an “active” status with a minimum of four privacy screens being issued to each precinct. The Board reserves the right to provision a precinct with more privacy screens if the Election Day voter turnout causes unusually long lines and/or where extra privacy screens will provide a solution to the issues presented. Other factors such as percentage of absentee voters per precinct may influence the allocation of privacy screens and secrecy folders.
